Section 1 – Introduction

This directory provides a list of Your Plan’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

Additional benefits that are not covered by Original Medicare may be included in your plan benefits package. Benefits such as vision care and hearing services (including hearing aid) may be included. Please see the “Additional Benefits” section in Chapter 4 of your Evidence of Coverage, to see if your plan includes any of these benefits. Note: Some “Additional Benefits” may require you to use a specific provider, please see your Evidence of Coverage for additional information.

Extra benefits that are not covered by Original Medicare and not included in your plan benefits package are called “Optional Supplemental Benefits”. If you want optional supplemental benefits you must sign up for them. You will pay an additional monthly premium for these benefits. To see if optional supplemental benefits are available in your service area, see Chapter 4 of your Evidence of Coverage. If you have not already purchased optional supplemental coverage, you may do so now by calling UnitedHealthcare Customer Service at the number listed on the back cover of this directory.

Services from these providers will not be covered, if your plan does not include these additional benefits or you have not signed up for an optional supplemental benefit.

Choosing a Primary Care Physician (PCP)

You will have to choose one of our network providers who are listed in this directory to be your Primary Care Physician (PCP). The term “PCP” will be used throughout this directory. Generally, you must get your health care coverage from your PCP, unless it is an emergency or your PCP refers you to a network specialist. Your PCP is your primary doctor. You will need to call the PCP you would like to visit to find out if he or she is accepting new patients. If you chose a PCP who is not taking on new patients, we will reassign a PCP to you who is taking new patients. You are not required to stay with any given PCP. You can choose another PCP who is accepting new patients by calling UnitedHealthcare Customer Service at the number listed on the back cover of this directory. Your PCP plays an important role in your health care, and we want you to feel comfortable with the PCP you choose.

Your PCP can help you:

- Make smart lifestyle choices to improve and maintain your health
- Perform preventive care and screen for health conditions
- Better understand your medical condition(s)
- Coordinate the care you get from specialists to help avoid duplicative and expensive tests. Your plan may require your PCP to coordinate any specialist care you receive
- Manage your prescriptions and identify possible harmful interactions

You must get a referral from your PCP if you need to see a network specialist or other network provider who is not your PCP with the exception of an emergency or urgent care. If the network specialist wants you to come back for more care you must check with your PCP to make sure your referral includes the additional care.

If you do not have a proper referral from your PCP, neither the plan nor Medicare will pay for services, supplies, treatments, surgeries and/or drug therapies for which a referral is required. This does not apply to emergency services, urgently needed services, out-of-area dialysis and poststabilization care services.

It’s important to remember that your PCP will refer you to a network based on his or her referring practices and hospital affiliation. The presence of a particular network specialist in this directory does not mean that your PCP will refer you to that provider.

The “network providers” listed in this directory have agreed to provide you with your health care, vision and dental coverage. You may go to any of
our network providers listed in this directory if your plan includes additional benefits or you have signed up for an optional supplemental benefit; however, some services may require a referral. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-network providers.

**You can ask our plan to pay our share of the cost of your covered services**

At times you may get a bill from a network or non-network provider for the full cost of the medical care you received. In many cases, you should not pay the bill but instead send it to us. UnitedHealthcare will look at the bill and decide if the services should be covered. If your plan decides they should be covered, we’ll pay the provider directly. Please call UnitedHealthcare Customer Service at the number listed on the back cover of this directory, or see your Evidence of Coverage, for more information.

**Emergency and Urgently Needed Care**

If you have a medical emergency, get help as quickly as possible. Call 911 or go to the nearest emergency room or hospital. You can always get emergency care from the nearest available provider, whether or not they are a network provider. Your plan covers emergency services whether you are in or out of the service area. Our plan covers ambulance services when getting to the emergency room in any other way could harm your health. You or someone else should call and tell us about your emergency care, usually within 48 hours.

You must use plan providers for urgent care. When out of the service area urgent care may be obtained from the first available provider. In addition, when out of the service area you can obtain dialysis treatment from any qualified dialysis provider. If you obtain routine care from out-of-network providers neither Medicare nor your plan will be responsible for the costs.

**How to access your behavioral health benefit**

To access your behavioral health benefits directly, please call the behavioral health number on the back of your member ID card, 24 hours a day, 7 days a week. When you call, a representative will check your eligibility and ask basic questions about you and your situation. Depending on your needs, a clinician may talk with you about your problem and recommend a provider and treatment plan. If you prefer, your PCP may call and arrange a referral for you. You may also call for information about network practitioners, subspecialty care and getting care after normal office hours.

Please be assured your personal information will be kept strictly confidential.

**Choosing a hearing aid provider**

Your hearing aid benefit under the plan requires that you purchase your hearing aid(s) through UnitedHealthcare Health Innovations. If you have an existing hearing test, UnitedHealthcare Health Innovations can use that to program your hearing aid(s). If not, you can take a test at participating providers. To contact UnitedHealthcare Health Innovations, call 1-855-5BE-WELL (855-523-9355) (TTY users should call 711) 8 a.m. to 8 p.m., Central Standard Time, Monday through Friday, or go online at www.hihealthinnovations.com/uhc

- If you have out-of-network benefits and choose to go to an out-of-network provider for a hearing test, you will be responsible for any out-of-network copays or coinsurance. If you do not have out-of-network benefits you will be responsible for the full cost of the services received. If you purchase a hearing aid through anyone other than UnitedHealthcare Health Innovations you will be responsible for the full cost of the hearing aid.
- If you would like more help finding a provider call our UnitedHealthcare Customer Service or visit our website listed on the back cover of this directory.
Choosing a vision provider

Review the Additional Benefits section in Chapter 4 of your EOC to make sure your plan includes vision care coverage. Then see if the coverage includes routine eye exams and/or routine eye wear. It's important to understand your specific details about your plan benefits, rules and limitations.

• To get the most benefits possible for routine eye exams, choose a network provider when you want to receive covered services.

• To get the most benefits possible for routine eyewear, choose a network provider when you want to receive covered services. If your plan allows you to choose a non-network provider, please refer to your EOC for reimbursement instructions.

• If you have enrolled in the Deluxe Rider, choose a network provider from the vision provider section.

If your plan does not include vision care or if you have not enrolled in the Deluxe Rider and you get services from one of these providers, your services will not be covered.

Important note: If you have vision care and you belong to Wellmed Medical Group, Network Physician, North Texas Specialty Physicians or Health Texas Medical Group, you will receive vision care through your medical group. Call your medical group to schedule an appointment. If you're enrolled in the Deluxe Rider, you must choose a contracted provider from the vision provider section, as mentioned earlier. Otherwise, call your medical group office to schedule an appointment. If you're not sure which medical group or IPA you belong to, please call UnitedHealthcare Customer Service at the number on the back cover of this directory.

Choosing a dental provider

Deluxe Rider, Dental 467 Rider

If you enrolled in the Deluxe Rider or Dental 467 Rider making your selection is easy. To get the most benefits you can, choose a contracted provider and make an appointment.

This listing includes but is not limited to the contracting providers listed and the list may change. Please see the Additional Benefits section in Chapter 4 of your Evidence of Coverage (EOC) for details about plan benefits, rules and limitations. If your plan does not include vision care benefits or if you are not signed up for an optional supplemental benefit and you get services from one of the providers in this section, your services will not be covered. Note: For Medicare-covered vision care (e.g., glaucoma screening, cataract services, etc.), please see the specialists section of this Provider Directory.

Important note: If you have vision care and you belong to Wellmed Medical Group, Network Physician, North Texas Specialty Physicians or Health Texas Medical Group, you will receive vision care through your medical group. Call your medical group to schedule an appointment. If you’re enrolled in the Deluxe Rider, you must choose a contracted provider from the vision provider section, as mentioned earlier. Otherwise, call your medical group office to schedule an appointment. If you're not sure which medical group or IPA you belong to, please call UnitedHealthcare Customer Service at the number on the back cover of this directory.
