### ANTIQUE & CLASSIC BOATS

---

It is agreed that the "**Repairs**" provision (**E.5.**) contained in **SECTION THREE - BOAT AND AUXILIARY EQUIPMENT COVERAGE**, is amended to include the following:

**5. Repairs.** If your **boat** needs repair after a covered loss, we will have the option of paying the reasonable costs of repairs in accordance with:

- (a) the manufacturer's specifications; or
- (b) generally accepted repair practices.

We will not pay more than the least of:

- (1) the Amount of Insurance as shown in the **declarations** for your **boat**; or
- (2) the amount for which your **boat** can reasonably be repaired to its condition just prior to the loss. We will notify you of our choice within 30 days after we accept the Proof of Loss.

This **policy** does not cover any decrease in the Antique or Collectors value of your **boat** resulting from:

- (a) the substitution of parts or components of current design and manufacture due to the unavailability of original parts or components; or
- (b) the unavailability of craftsmanship in the areas of woodworking, tooling or boat building techniques.

All other terms and conditions of this **policy** remain unchanged.
