

**CUSTOM SOUND EQUIPMENT COVERAGE**

**We** will pay for **loss** to custom sound and other electronic equipment designed for the reception, recording or reproduction of sound or video, or receiving or transmitting audio, visual or data signals. This includes any antennae and accessories used with such equipment.

Electronic equipment includes, but is not limited to:

1. radios and televisions;
2. tape decks and compact disc players;
3. video cassette recorders;
4. speakers and amplifiers;
5. telephones;
6. personal computers.

**We** will cover **loss** to electronic equipment permanently installed in the **covered automobile** and operating solely from the vehicle's electrical system at the time of the **loss**.

**We** will cover **loss** to tapes, records, discs or other media if they are in the **covered automobile** at the time of **loss**.

The maximum amount **we** will pay for all **loss** to custom sound equipment, as a result of any one occurrence, shall not exceed the lesser of:

1. the full cost of repair to restore the property to its original condition; or
2. the amount necessary to replace the property with other property of like kind and quality, without deduction for depreciation; or
3. the limit for this coverage shown in the Declarations.

The maximum amount **we** will pay for all **loss** to tapes, records, discs or other media, as a result of any one occurrence, shall not exceed \$200. However, the limit of liability applicable for **losses** to tapes, records, discs or other media is in addition to the limit of liability applicable to audio, visual or data electronic equipment and any accessories used with that equipment.

Payment will be made without regard to any **deductible** or minimum amount.

All other provisions of the policy apply except as modified by this endorsement.
